CATTLE

Cattle must be officially identified.

SHEEP AND GOATS

All sheep and goats must be identified with official identification approved for use in the scrapie eradication program. No sheep or goat that is within 30 days of giving birth will be allowed on the fairgrounds. Any evidence of club lamb fungus, ringworm, abscesses, foot rot, sore mouth or any other contagious disease will eliminate the animal from the show.

SWINE

Swine must be individually identified and must be vaccinated for Erysipelas and swine flu with two doses 21 days apart with the last dose administered at least 21 days before the start of the fair. It is important to note that there is a significant risk associated with bringing home swine from an exhibition or show in which they were exposed to swine from numerous farms and potentially have contracted diseases from those swine. Under most circumstances it is best that these pigs all go to slaughter rather than be returned home. It is strongly recommended that any swine taken home be isolated at least 250 yards from other swine and quarantined for at least 30 days. If you are considering bringing swine back home consult with your veterinarian immediately to develop a plan on how to best manage this risk.

HORSES

All horses must be negative to an official test for Equine Infectious Anemia (EIA) within 12 months prior to the opening date of the exhibition. A test is not required for suckling foals accompanying a negative dam.

POULTRY

Poultry, except waterfowl and pigeons, must be individually identified with a leg or wing band and accompanied by a form approved by the board to show compliance with one of the following: negative test for pullorum-typhoid disease conducted within 90 days prior to the opening date of the exhibition; originate directly from parent stock tested and found negative for pullorum-typhoid disease within the last 12 months. In addition, turkeys must be tested negative or originate directly from parent stock that is tested negative for Salmonella typhimurium, Mycoplasma gallisepticum, and Mycoplasma synoviae.

DOGS

Dogs over four months of age must be accompanied by a certificate of rabies vaccination issued by a licensed veterinarian.

IMPORTED ANIMALS

All imported animals must be accompanied by a certificate of veterinary inspection and meet the Board's importation requirements.

REQUIREMENT FOR LIVESTOCK AND POULTRY ORIGINATING FROM STATES OTHER THAN MINNESOTA

CATTLE, SWINE, SHEEP, GOATS AND POULTRY originating from states other than Minnesota must meet the Minnesota importation requirements in addition to the requirements outlined in this summary. Individual health certificates are required on all out-of-state cattle, swine, goats and sheep. Health certificates must list the Minnesota Exhibition as consignee, and will be accepted if examination and tests are conducted within 30 days prior to the exhibition.

Cattle from Class A states (Missouri, Texas, New Mexico and Wyoming) must be official calf-hood vaccinates, originate from a certified Brucellosis free herd or be tested brucellosis negative within 60 days of exhibition.

Tuberculosis - cattle from Texas, California and New Mexico must be TB tested within 60 days of entry to be accepted. Ruminants originating from Michigan may not be imported into Minnesota for exhibition.

HORSES AND DOGS

Requirements are the same as for those originating from Minnesota.

LOCAL FAIR BOARD OPTIONS

The exhibition management may adopt more but not less restrictive health requirements than required by state rule.

SUNDAY RANCH RIDING CLASSES: JUNIOR & SENIOR RANCH PLEASURE AND JUNIOR & SENIOR RANCH RIDING

Horses may not be shown in this class with fake tails,
banded or cropped manes, hoof black. Tack & Clothing
should be void of silver and adornment, long sleeved
collared shirt, jeans, western hat or helmet and boots.
Chaps and spurs optional.

ABOUT THE RANCH RIDING CLASS: AQHA Introduced Ranch Riding classes with the purpose of the class to measure the ability of the horse to be a pleasurable ride while being used as a means of conveyance from performing one ranch task to another. The horse in this class should reflect the versatility, attitude and movement of a working ranch horse, simulating riding typically conducted outside the confines of an arena. The horse should be well-trained, released, quiet, soft, and cadenced at all gaits. The ideal ranch horse will travel with forward movement and demonstrate an obvious lengthening of stride at extended gaits. The horse can be ridden with light contact or on a relatively loose rein without requiring undue restraint, but not shown on a full drape of reins. The overall manner and responsiveness of the ranch riding horse to make timely transitions in a smooth and correct manner, as well as quality of the movement are of primary considerations. The ideal ranch riding hour should have a natural ranch horse appearance from head to tail in each maneuver.

ABOUT THE RANCH PLEASURE CLASS: Ranch Horse Pleasure is judged as a rail class that is designed to show the athletic ability of the ranch type horse without having the suitable footing for reining. Judging will be based on the walk, trot, extended trot, lope, extended lope, spin left or right, side pass, stop and back at the digression of the judge. Credit should be given to smoothness, finesse, attitude, quickness, and authority in performing the maneuvers when asked. Ranch pleasure horses will be judged on a forward movement and carry a natural head carriage.

Bridge to Life

The Bible teaches that God loves all men and wants them to know Him.

But man is separated from God and His love.

**"God is on one side and all the people on the other side."
(1 TIMOTHY 2:5)**

Why is man separated from God and His love?

Because he has sinned against God.

**"Your sins have cut you off from God."
(ISAIAH 59:2)**

**"All have sinned and fall short of the glory of God."
(ROMANS 3:23)**

Where does this separation lead?

This separation leads to death and certain judgment.

**"Man is destined to die after that to face judgment."
(HEBREWS 9:27)**

**"Those who do not believe will be punished with destruction and separated from the presence of our Lord Jesus Christ."
(2 THESSALONIANS 1:9)**

Everyone must decide individually whether to receive Christ.

**Jesus says, "Here I am! I stand at the door and knock. If anyone hears My voice and opens the door, I will go in and eat with him, and he with Me."
(REVELATION 3:20)**

How does a person receive Christ?

**Jesus said, "You may ask Me for and I will give it."
(JOHN 14:6)**

Therefore, if you pray sincerely, asking for my life and be my Savior and Lord. Please accept the gift of eternal life. Amen."

In loving memory of Benjamin

(ROMANS 9:27)

... not know God ...
... with everlasting

(ROMANS 1:8-9)

But, there is a solution.

Jesus Christ, who died on the cross
for our sins, is the way to God.

"God is on one side and all the people
on the other side, and Christ Jesus,
Himself man, is between them to
bring them together, by giving
His life for all mankind."

(1 TIMOTHY 2:5-6)

"Christ died for sins once for all...
to bring you to God."

(1 PETER 3:18)

Does this include everyone?

Yes. But only those who personally
receive Jesus Christ into their lives,
trusting Him to forgive their sins,
can cross this bridge.

"To all who received Him, to those
who believed in His name, He gave
the right to become children of God."

(JOHN 1:12)

Receive Jesus Christ?

(JOHN 14:14)

... He will do it now.

**If you have invited Jesus Christ into your life,
the Bible says you now have eternal life.**

"God has given us eternal life, and this life is in His Son. He who has the
Son has life; he who does not have the Son of God does not have life."

Martin County 4-H Welcomes You to the 2025 Martin County Fair!

Thank you for coming to the Martin County Fair and showing your support for the 4-H program!

Our youth members work hard on their projects year-round and the County Fair is their chance to share these efforts with the public. Be sure to walk through the 4-H Section of the Bank Midwest Building and check out the 4-H animals in the barns!

What is 4-H?

4-H is an informal, practical, learn-by-doing educational organization for youth in grades K-13. In 4-H, youth design and participate in their own programs and activities. This unique learn-by-doing model teaches kids essential, transferrable skills that they'll use throughout their lives, such as problem solving, decision making, coping, communicating, and responding to the needs of others. Youth establish goals and work towards becoming competent, productive citizens. In 4-H, young people learn about and solve problems facing them and their communities. The knowledge and skills they acquire in 4-H opens the door to a lifetime of personal growth.

What can I do in 4-H as a youth member?

The sky's the limit! 4-H offers learning experiences in science, photography, arts, agriculture, healthy living, civic engagement, and much more. We have one-day events, year-long projects, and everything in between. There are many ways to try 4-H!

How can I help as a 4-H volunteer?

Anyone age 19+ who cares about young people is welcome to volunteer with us. The time and commitment are up to you and your schedule. Volunteering with 4-H benefits the young people, the community and you -- the volunteer! Make a difference in a young person's life while sharing your knowledge and skills!

Where can I find more information on 4-H?

- Visit us in the Martin County 4-H Fair Office located in the 4-H Section of the Bank Midwest Building or check out our website: <https://extension.umn.edu/local/martin>
- You can also find us after the County Fair at our year-round office located in the Martin County Arena at 1300 N Bixby Rd, Fairmont MN 56031, or call 507-235-3341.
